Re: Student Application Form for Membership in the Combined BA/MPA Political Science  
Department/Master of Public Policy and Administration Program

Confirmation of Participation as an Undergraduate

c: Chair of DPPA

Please accept my formal application to participate in the combined BA/MPPA Political Science  
Department Undergraduate/Master of Public Policy and Administration program.

I wish to participate in the Joint Program. I wish to enter directly into the MPPA program as soon as I  
finish my undergraduate courses. I understand all requirements.

I have a strong interest in a future career in government administration or policy analysis  
I meet all requirements for admission to the joint program as an undergraduate.

I have at least Junior status.

I have an overall grade point average of 3.0 or higher.

I have a grade point average in Political Science that is a 3.0 or better.

I have attached copies of (a) my resume and (b) my transcript (to document grades). I have submitted 3  
copies of the total package of this form, resume, and transcript.

I look forward to entering the graduate program as soon as possible.

I understand that in the Fall of my Senior Year I will separately contact the Chair of the DPPA to confirm  
I will be taking graduate classes the following semester. I will include a copy of (a) my resume, (b) my  
transcript (to document grades), and (c) a signed letter from Dr. Richard Harris of the Political Science  
Department confirming my status as a BA/MPA student. The DPPA Chair will then contact the  
Graduate Dean who will notify the Registrar that I can take up to 3 graduate courses while still an  
undergraduate. I understand that I must maintain a B average to transition automatically into the  
graduate program as a matriculated student.
