Camden Faculty Council
Meeting on Tuesday, May 2, 2017

Tentative Agenda

1. Approval of the minutes.
2. Chair’s comments, if any.
3. Other announcements, if any.
4. Discussion of Council logistics. See note below.
5. Report by the Chancellor or other member of the administration.
7. Review of “big questions” for 2016-17
   a. Nurturing student intellectual engagement
   b. Faculty Advancement and Evaluation
9. Adjournment

Note: The three-year terms of three members of the Council will end (with the possibility of reelection) at the close of this academic year and elections are planned or underway for those three positions. The By-Laws provide that elections for the Chair and potential other officers be held at the last meeting of an academic year for the following academic year. But because the composition of next year’s Council will not be settled by May 2, the Chair will suggest that the election be postponed to the first item of substantive business at the Council’s first meeting in the Fall.
