National Endowment for the Humanities 2019 Summer Stipend Competition— Internal Deadline Date Extended

The National Endowment for the Humanities has announced the 2019 Summer Stipends competition. The award is \$6,000. Rutgers-Camden may submit a maximum of two nominations for consideration.

The Summer Stipend program is a great way to earn summer salary and work on a research project.

NOMINATION PROCESS AT RUTGERS-CAMDEN CAMPUS

UNIVERSITY | CAMDEN

The Research Administration and Proposal Submission System (RAPSS) includes the review, approval, submission and tracking of all funding proposals. All grants and contracts must be submitted via RAPSS except for those certain agencies, such as the National Science Foundation, that maintain their own submission system. In such cases, RAPSS must be used for the internal endorsement of the proposal, but the agency's submission system will be used for the formal submission of the application.

All faculty and staff who have been or will be submitting grants are strongly encouraged to attend the **RAPSS Proposal and Endorsement Training** session. The session will also include information about the "Approver" training portion for those who normally approve the endorsement form. Approvers may attend the session to learn more about the overall process.

We hope that you will be able to sign up for the session listed below.
